VEGA B

VEGA B combines ALGOTEX's advanced technology and quality in a stable, stylish and ergonomic body. Each component is designed to achieve maximum efficiency, connecting easy use and precise results. The minimal and attractive design gives VEGA B an aesthetic trademark that is exclusive and iconic.

VEGA B is the basic plotter of excellence: reliable, efficient, ergonomic.

VEGA B offers the skillful synthesis of the most advanced, consolidated technology in a design that is functional and accessible.
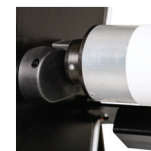

An excellent product boasting numerous technical advantages: performance speed (65-130 sq m/h), compatibility with Windows systems, autonomous functioning guaranteed 24/7 and maximum quiet during the printing process.

CARRIAGE
fast, fluid:
increased quiet

BRAKE
mechanical,
precise: optimal
paper tension

TUBE
single, stable,
practical,
interchangeable

PRINTING
excellent graphics,
accurate dimensions

DESIGN
ergonomic,
exclusive,
user-friendly
